

Welcome to Mulan Taiwanese Restaurant

For those who enjoy the flavors of Asian food, but not the spice, Taiwanese tends to be less spicy than Sichuan cooking in the west of China. It is also considered very healthy, as it uses less oil and salt than Chinese cuisine. We strongly recommend The smoked pork with leek for people trying for the first time.

That is our specialty. It is very difficult to make. Our chef is the only one who can make it in all of Massachusetts. The salted crispy chicken is also very popular, and so are our handmade dumplings. Make yourself at home at Mulan. Let us take care of all the details for you. From food to music to flowers, we've got you covered. Please call us with your questions.
